## MEETING ENDS BRILLIANTLY

DOUGLAS PARK THOROUGHLY RE-ESTAB-LISHED AS A POPULAR RACING CENTER.

Two Records Are Reduced on Final Day of Meet ing That Is Highly Satisfactory to Manager Hachmeister-Stake for High Private.

Louisville, Ky., October 5.—A successful eighteen-day period of racing was terminated at Douglas Park this afternoon in the proverbial blaze of glory. Weather conditions could not have been improved on and the splendid racing card arranged for the oc-casion by Secretary Maginn served to bring to the course the banner attendance of the meeting. The volume of betting indulged in during the afternoon also established a record, over \$33,000 being handled through the mutuel machines, excluding the combina-tion play.

through the mutuel machines, excluding the combination play.

The Cardinal Stakes, one mile and an eighth, which served as the main feature, resulted in a hard-earned victory for High Private over Starbottle. The skill of jockey Loftus was a great factor in the result. High Private was conceding weight to all the others, but handled his big impost in splendid fashion and stood a fierce drive courageously. Manager Mack, which finished in third place, also raced impressively and made a showing that causes him to loom up formidably for the Endurance Stakes on Monday. He was worked a mile and a half after the finish and went the distance handly in 2:34%, going the nile and a quarter in 2:05.

The handleap at six furlongs, which was intended as the secondary feature, was attended by another inrilling finish. Jim Basey and Grover Hughes passed the judges noses apart, with the former in advance. Prior to the race Grover Hughes was purchased by Frank E. Brown for the reported price of \$4.400.

Another stirring contest was furnished in the sec-

The Widow Moon succeeded in this race in giving away much weight to Floral Park and other good opposition.

New track records were made in both feature races. High Private ran a mile and an eighth in 1.52½, which was a second faster than the old mark, and Jim Basey, in going six furlongs in 1:11½, reduced the record by one-fifth of a second.

The third race was accompanied by a bad spill, due to rough riding, for which Fain, according to those best in a position to see, was responsible, Molesworth, who was riding Morristown, sustained injuries about the shoulder that will keep him out of the saddle for some time. Morristown was badly hurt and rendered useless for further racing this season. Vreeland was confidently backed in this race, but he raced poorly and finished second to Reciprocity and Sir Alvescot.

G. C. Van Meter's Nobby showed a good performance in the opening race when he led all the way and J. B. Respess' Volthorpe made amends for a former poor performance by taking the closing dash with plenty to spare.

Commenting on the meeting just closed, Manager Hachinelster said: "I feel well satisfied with the results in general. Of course the money expended in improving the plant this fall was not returned by haff, but considering that the fall meeting cannot be improving the plant this fall was not returned with sorting racing, the financial returns were satisfactory. I am truly grateful for the liberal plant constantly and I ultimately hope to see it surpass the leading courses in the country. Next season we will build a clubbouse and will provide other comforts that will appeal to our many patrons."

coller comforts that will appeal to our many patrons."

Lonis A. Cella, who is part owner of the track, paid his first visit to the plant and was greatly impressed with its magnitude. He was immensely pleased with the action in general about the track and warnuly praised John Hachmeister's able management. Mr. Cella came from Washington, b. C. and left tonight for his home in St. Louis.

Louis. Accept Fain was fined \$50 by the judges for rough riding in the third race. The scarcity of riding talent was mainly responsible for the leniency with which the offense was treated.

John W. Schorr purchased this morning from Frank E. Brown the yearling colt by Ultimas—Midge for \$3,000.

Jockey Fhil Musgrave will probably be given a conditional license by the Kentucky State Racing commission, confining his riding to the E. R. Braddow stable. The Canadian associations licensed him for ride for J. E. Seagram only with R. F. Carman's Trainer A. Ewing, formerly with R. F. Carman's catablishment, has been engaged to train the horses owned by Dr. G. M. Miller.

Gallaher Bros. secured today at private sale from J. R. Wainwright the fillies Trance and Royal Captive for breeding purposes. Both were shipped to N. K. Shipp's Midway Farm to join Centre Shot, Ida May and Mary Talbott, which are also owned by Gallaher Bros.

Interest continues to grow in the outcome of the Kentucky Endurance Stakes, which will feature the Churchill Downs' opening on Monday. Arrivals continue steadily and it is expected that all records for attendance will be broken. Seven positive starters are looked for. Eleven norses were sent out in the overnight entries. H. G. #### RICHEST AND MOST NOTABLE RACE OF THE YEAR TO BE RUN TOMORROW AT CHURCHILL DOWNS

Louisville, Ky., October 5.—The greatest race of the year in America will be decided at Churchiif Blowns on Monday next. It is the four-mile Ken tucky Endurance Stakes, a race originated by the Kentucky State Racing Commission, and which is to be a perpetual event of the Kentucky turf.

This stake this season is not only a race which has attracted the widest interest, but it is also the richest prize run in this country this season. The New Louisville Jockey Club donates \$7,500 in added money to this event, and the winner of the long race will also get a \$1,000 gold cup as a trophy, donated by the Kentucky State Racing Commission. Added to this are the fees from subscriptions to the event, and then the starting money, which will increase the value of the event materially.

It is not only a money prize worth winning, but it is sure to add such luster to the victorious horse as to insure his reputation as a wonderful turf performer as long as racing lasts. The four-mile cracks of all ages from the dawn of racing history have proven the stars of turf and stud.

The first four-mile record holder of great note was American Eclipse, which, on May 27, 1823, defeated Sir Henry in a race of four-mile heats, which required twelve miles to decide. In this race, for the first time, four miles was run under 7:40, Sir Henry winning the first heat in 7:37%. While Sir Henry heat American Eclipse in this heat, that was the horse's only near approach to defeat, as American Eclipse never lost a race. When he was retired he became a noted sire. His blood today is prominent in many of the most fashionable pedigrees of the age.

In 1842 the noted mare Fashion in her race with Boston also run of Long Island, reduced the four-

age.

In 1842 the noted mare Fashion in her race with Boston, also run on Long Island, reduced the four-mile record to 7:32½. She was also a famous racer and earned \$46.600 during her turf career, which certainly was good for those days. She was after wards sold for a big price for a broodmare to John Reber of Lancaster, Ohio, and many of the best thoroughbreds in that state have a Fashion cross in their nedigrees.

wards sold for a big price for a broodmare to John Reber of Lancaster, Ohio, and many of the best thoroughbreds in that state have a Fashion cross in their pedigrees.

Fashion's time was closely approached at the same period by that great horse George Martin, which ran the distance in 7:33. He beat the great Reel, which noted mare broke down in that race. It was her only defeat. George Martin also sired some good horses and Reel became one of the greatest of American broodmares. The \$70,000 Hamburg and other stars trace to her. Fashion's four miles in 7:32 ½ for a mare and George Martin's 7:33 for a horse stood as the record until Leconapte, Lexington and idlewild came upon the turf. Lecompte first ran four miles in 7:26 at New Orleans and defeated Lexington, and then the latter beat Lecompte, running the distance in 7:23¾. In 1866, on the Center ville course, Long Island, Idlewild ran four miles in 7:264 and this lowered Fashion's record for a mare. On April 2, 1855, Lexington ran four miles against time in 7:199¾, which stood as the record until August 20, 1874, nineteen years later, when, in a race at Saratoga, Fellowcraft ran the distance in 7:191½. He held the record until September 27, 1876, when the great Ten Broeck ran the distance against time at Churchill Downs and set the four-mile record at 7:15¾. This mark stood until May 27, 1897, twenty-one years later, when Lucretia Borgia ran four miles at Oakland, Cal., in 7:11, which is still the record at this long route is held by Messenger Boy, 7:14½, and was made in a race at this distance is previous record made in a race at this distance is \$1:16, by Big Bow, at Oakland, Cal., March 14, 1908. He was a six-year-old with 112 pounds up, while Messenger Boy was a three-year-old with 106 pounds up, when he made his mark.

All of the above horses became famous as sires in the stud. Lexington was one of the greatest stallions that ever lived. He headed the list for many seasons and his blood is among the most prized of all horses. Lecounpte was taken to Englan

long held the three-mile race record and another great horse he sired was the noted Bersan. His blood is also greatly prized in present-day pedigrees. Lucretia Borgia is still prized as a broodmare in California and the prospects are that Messenger Boy will some day become a successful sire. Fame surely seems to linger around all champion four-milers.

California and the prospects are that Messenger Boy will some day become a successful sire. Fame surely seems to linger around all champion four-millers.

In looking over the list of horses which have run this distance creditably, it will be found that there appears the names of many that will always be prominent in racing history. Of these can be named The Bachelor, with his mark of 7:16½; Demuth, 7:20½; Vincitor, 7:20½; Judge Denny, 7:20½; Newel of Fortune, 7:28%; Jim Malone, 7:23½; Meecochee, 7:23½; Star Ruby, 7:23¾; Wildidle, 7:25½; Wheel of Fortune, 7:28¾; Jim Malone, 7:29½; Janet, 7:25; Stampede, 7:33; Willie D., 7:29½; Bush-whacker, 7:30; Princeton, 7:31; True Bine, 7:30; Glenmore, 7:30¼; Kentucky, 7:31¼; Carrie Atherton, 7:31¼; Morgan Scout, 7:32½; Adb-el-Koree, 7:33; Ressic Lee, 7:33; Adb-el-Kader, 7:33; Morgan Scout, 7:33½; Morgan Scout, 7:33½; Misser, 7:33; Nettie Norton, 7:37¼; James A. This gelding is now eight years old and in 1909 he won the Thornton Stakes at Oakland, Cal., in 7:18¾. He also finished second to Messenger Boy in the Kentucky Endurance Stakes Monday with a four-mile record is H. G. Bedwell's Nadzu, the performances of which at this distance have been striking. #### MINERAL SPRINGS TRAIN SCHEDULES.

Arrangements have been made with the railroads for train service from Chicago to the Mineral Springs Jockey Club's new track at Porter, Ind., and the schedule has been announced. The first race train is scheduled to leave Chicago over the Lake Shore railroad at 12 o'clock noon each day of racing. Other special race trains will follow at 12:17, 12:32; 12:45 and 1:08. A schedule also has been arranged for the Calumet district for train service over the Michigan Central road. This race train will leave Kensington station at 12.40, with stops at Hammond and Gary only. The Chicago trains will not stop at Gary, the only stops being at South Chicago and Englewood stations. The running time from the LaSalle street station to Mineral Springs has been effixed at one bour. The first train returning will leave Mineral Springs at 4:40 p. m., and there will be other trains to accommodate the crowds after the races are finished.

Extra trains on the South Shore Electric Railroad will make stops at the Mineral Springs station, from which motor busses will carry patrons to the grandstand. Motor busses will also operate at frequent intervals between the towns of Porter and Chesterton and the main gate of the new race track. As previously announced, the admission, including railroad fare from Chicago and return, will be \$2. The admission fee at the gate for those who do not use the railroad will be \$1.50.

Starter Richard Dwyer returned -yesterday from Louisville well satisfied with the result of his mission there in the interest of the new track. He reports having obtained promises from various owners covering the shipment of 160 horses here. Mr. Dwyer will devote the remaining time prior to the ovening of the new course to assisting A. F. Knotts in getting the plant in condition for the opening.

#### TWO-YEAR-OLD SALE AT VICTORIA.

#### EIGHT THOUSAND SEE HILLCREST RACING.

Toronto, Ont.. October 5—Eight thousand persons, making the largest crowd that ever visited Hillcrest Park, witnessed the running of today's card. The thirteen layers were swamped and unable to handle the business offered them.

Five favorites and two second choices were among

the nine winners. Jim L. won the feature race frather handily by a length from Gliplan, with the favorite, Otilo, third two lengths away.

The sixth and ninth races were productive of nose finishes. In each case the second horses were best. True Step ran out on the stretch turn and Evelyn Doris was a victim of bad racing luck.

Isabel Casse was badly cut down in the fifth race. Jockey Russell escaped with a shaking up when Golden Treasure fell in the eighth.

Six carloads of the best horses racing here will ship to Porter, Ind., for the Mineral Springs meeting scheduled to open next Saturday. They will leave here immediately after the close of racing here on Tuesday.

#### THE MANAGER WINS AGAIN

T. C. McDOWELL'S CRACK COLT TAKES AN-OTHER STAKE AT LAUREL.

Incidentally Reduces Track Record for Mile and a Sixteenth-Froglegs Rules Favorite and Meets with Some Bad Racing Luck.

Laurel, Md., October 5.—T. C. McDowell's crack colt, The Manager, again showed his heels to Froglegs here this afternoon when he won the Baltimore Handicap, \$2,500 added, in which he met some of the best horses in local training. The Manager was ridden by jockey Byrne, made all of his own pace and won in rather handy fashion by a length from Lahore. Froglegs was third, another length back. The pace was a fast one from the start, with The Manager always holding command. In the early racing, Froglegs met with interference. In rounding the first turn, Teahan took him into a pocket and McTaggart and Butwell kept him there pretty much for the entire running. At that it is doubtful if he could have beaten The Manager, which in his present form looks to hold anything racing here safe at weight for age. The fractional time of today's race was 23%, 47%, 1:12%, 1:38%, 1:44%, representing a new track record. It was the second stake that the McDowell colt has won at this meeting, his previous victory being in the linaugural Handicap, in which he was in receipt of several pounds from Froglegs. There was a difference of only two pounds between them this afternoon.

Five thousand persons were on hand to witness the sport. Other conditions were in keeping with the weather, which was perfect for racing. Besides the Baltimore Handicap, there was offered as an additional attraction another handicap at six furlongs, in which some of the best sprinters on the ground went to the post. It resulted in a runaway victory for the Bedwell stable's Righteasy, which beat Housemaid a length and a half.

The best finish of the afternoon came with the running of the sixth race, a dash of a mile and an eighth. The race resulted in a rousing contest, in which five of the best sprinters on the start, staggered home a nose in advance of Amalfi. The latter closed with a great burst of speed, coming from the rear in the stretch racing.

The Bedwell stable accounted for two winners. Righteasy and Pardner. The latter beat a band of platers in the thir

Here are a single above the first state of the first s By Golden Garter—Bradwick (Capt. M.A. Elliott, Jr.)
A Henry 6 N.o'Time, M. Fletcher Solona I. Went to post at 3:35. At post 2 minutes. Start good and slow. Won handily; second and third driving. PARDNER, after being a forward contender from the start, closed up rapidly in the last eighth and, ortgaming O EM, won drawing away. The latter closed a gap and made a game challenge after entering the homestretch, but tired after disposing of ILMA. MONSIEUR X. closed a big gap and finished wearing the leaders down. ASPIRIN had a rough race and finished fast after being much knocked about. OUTLAN tired after running in closest pursuit to the stretch. ILMA took the lead on the backstretch, but tired badly in the stretch drive.

Scratched—5552 Hempstead, 107; 5461 El Bart, 110.
